

For more than 10 years 3Q has developed and operated a robust and high-performance SaaS platform for video management and streaming.

We are specialists in streaming technologies and high availability. Using our in-house platform, we broadcast live and on demand content for leading content providers worldwide. With full GDPR compliance, innovative features, multiple system integrations, an intuitive UI and customer support based in Berlin, we are a trusted partner for our customers.

To support our strategy of sustainable growth, we are searching for

Full Stack Web Developer (m/f/x) – Fulltime

What we want to achieve with you

- Expand and improve our video platform
- Expand our platform in a sustainable and scalable way
- Implement exciting market-leading features

Your Tasks

- Support of our developer team
- Realization of new platform features, from design to implementation and
- Quality assurance
- Frontend development (HTML5, CSS, Typescript)
- Backend development with the PHP framework Symfony

What you offer

- A degree in computer science, a comparable education, or corresponding professional experience
- A high level of teamwork and strong communication skills
- The willingness to take on a lot of personal responsibility for features or products
- You know PHP very well and you already have experience with the Symfony Framework
- You write clean, maintainable code and documentation
- You are familiar with databases and ORM (e.g. Doctrine)
- You develop applications in Typescript and have experience with the corresponding frameworks
- Standards-compliant web development (HTML5, CSS3, Typescript) is your home away from home
- You have experience with Docker and Kubernetes
- Experience with video streaming, video transcoding, and/or video management
- High willingness to learn new tools and technologies
- Business fluent in written and spoken German, English is desirable

What we offer

- a young and highly motivated team
- the space to introduce and implement your own ideas
- flexible working times
- friendly working conditions (e.g. free coffee and other drinks in the office, flexible home office policy, and much more)
- Offices in Berlin & Munich
